

DIALOGUE TAGS

HOW DO THEY HELP US?

Dialogue tags help us develop fluency and read like the characters.

WHAT ARE THEY?

Dialogue tags tell us how the character is talking. They are words other than said such as:

Whispered, shouted, yelled, cried, whined, bragged, asked, exclaimed

EXAMPLE:

"Oh come on," **protested** Judy. "Let's give it a try, race you home!"

HOW TO USE

After doing a read aloud of *Jumanji* by Chris Van Allsburg, have students rotate around the room to different posters. Each poster features a sentence from the book. Students read the sentence and then scan the QR code to identify the dialogue tag being used. Students record the dialogue tag on their recording sheet.

"PLEASE, PLEASE."

VERY, SLOWLY."

USE ON SENTENCE STRIPS
